DECLARATION, POWER OF ATTORNEY AND PETITION

As below named inventors, we hereby declare: that our residences, post office addresses and citizenship are as stated below next to our names; that we verily believe we are the original, first and second inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled A UV-SENSITIVE MARKING COMPOSITION, the specification of which is attached hereto; that we have reviewed and understand the contents of the above-identified specification, including the claims; and that we acknowledge the duty to disclose information which is material to patentability as defined in § 1.56(a) of Title 37 of the Code of Federal Regulations.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

As the below named inventors, we hereby declare that we qualify as independent inventors as defined in 37 C.F.R. 1.9(c) for purposes of paying reduced fees under § 41(a) and (b) of Title 35, United State Code, to the United States Patent and Trademark Office.

We hereby appoint as our attorneys and/or patent agents the law firm of JONES, WALDO, HOLBROOK & MCDONOUGH, having a business address of 1500 Wells Fargo Plaza, 170 South Main Street, Salt Lake City, Utah 84101-1644, and MICHAEL W. STARKWEATHER, Registration No. 34,441, and BRENT T. WINDER, Registration No. 46,250, all with full power of substitution and revocation, to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith.

All correspondence concerning this application should be directed to:

ASSIGNMENT

WHEREAS, I, NEIL S. FOX, resident of the State of Nevada, whose postal mailing address is 4661 Wagon Wheel Road, Carson City, Nevada 89703, and I, CHRISTOPHER P. FINKE, resident of the State of Nevada, whose postal mailing address is 6200 Meadowwood Mall Circle, Apt. #101, Reno, Nevada 89502, (hereinafter "Assignors") have invented a certain new and useful improvement in A UV-SENSITIVE MARKING COMPOSITION for which an application for United States Letters Patent which was filed on June 1, 2001, and given U.S. Patent Application Serial No.09/873,207; and

WHEREAS, AERVOE PACIFIC COMPANY, INC., a Nevada corporation, organized and existing under the laws of the State of Nevada, having a business address of 1198 Mark Circle, Gardnerville, Nevada 89410, (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration paid to us by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, we the said Assignors, hereby grant and assign unto the said Assignee, our entire right, title, and interest in said invention and in all patent applications based thereon, including but not limited to the above identified United States Patent Application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign

countries, the right, power and authority to file and prosecute U.S. and foreign patent applications on said invention in its own name, wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

We hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all Letters Patent on said invention to the said Assignee as the owner of our entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following: prompt execution of all original, divisional, substitution, reissue, and other United States and foreign patent applications on said invention, and all lawful documents as requested by the Assignee to further the prosecution of any of such patent applications; cooperation to the best of our ability including, but not limited to, the execution of all lawful documents, the production of evidence in any actions or proceedings concerning the invention, including, but not limited to, nullification, reissuing, extension, and infringement proceedings involving said invention.

This Assignment and Agreement shall be binding upon our heirs and legal representatives.
